**SUBMISSION of FORMAL DRAWINGS**

Dear Sir:

The drawings as originally filed in this continuation-in-part application contained Figures 1-21, which were copies of previously accepted formal drawings from one or more earlier application(s), while Figures 22-25 were copies of new, additional, hand-drawn, informal drawings.

On September 5, 2001, a Notice to File Corrected, Application Papers (copy attached), an action just relatively recently seen by counsel, objected to some unspecified ones of the drawing sheets for inappropriate margins, presumably referring to the "new" informal drawings Figs. 22-25.

Accordingly, enclosed for filing are formal drawing for the above referenced patent application, including Figures 22-25 on two (2) sheets of drawings. Please charge any comparison fee to the Deposit Account #16-2605(THERM2A4-CIP) of the undersigned. Two extra copies of this page are attached.
